Cornucopia prides itself in providing places for people interested in BDSM to meet others of like mind in settings that are comfortable and safe.

The primary events held by the group are Play Parties and Munches. Rule number one: when attending any event, vanilla or kink related—please respect each other’s personal space. Just because we may be more open about our sexuality than others does not mean that any of us are out to "pick-up" someone for a one-night-stand or brief fling on the side. Get to know people first, treat others with respect, and build relationships.

Cornucopia prides itself in providing places for people interested in BDSM to meet others of like mind in settings that are

comfortable and safe.

Although kink is the common thread that brings us together, it's the friendships that develop over time that hold us together.

The Mission: is to provide a place for dissemination and exchange of BDSM information and resources, as well as a forum for on-going personal growth for Central and Northern Vancouver Island.

The Focus:

is that of serious relationships between consenting adults in an open environment that allows frank, factual exchange in an atmosphere that offers non-judgmental, non-biased acceptance.

Cornucopia Nanaimo promotes education and lifestyle information & holds that BDSM should be SS&C (Safe, Sane, & Consensual). In no way, shape or form does Cornucopia Nanaimo support or condone abuse, illegal activities or any activity detrimental to minors. (including child pornography) The intent of Cornucopia Nanaimo is "positive BDSM" but sometimes the negative aspects are of equal importance and portray the "not-so-wonderful" side of reality as well.
